

**To the Organizers of the Celebrate Israel Parade in New York, JCRC-NY**

We, a united group of Jewish individuals from the United States, Israel, and around the world who deeply care about the democracy of Israel, are writing to you. It is with great concern that we implore you to publicly condemn the recent violent acts committed by Knesset member Simcha Rothman against protesters in New York.

The disgraceful behavior exhibited by Mr. Rothman not only brings shame upon Israel but also undermines the principles of democracy and Judaism that we hold dear.

We therefore respectfully request that you withdraw Mr. Rothman's participation from the upcoming Israel parade scheduled for this Sunday in New York. By excluding him from this event, we can uphold the honor and integrity of this important event.

Thank you,
